REMARKS

Entry of this amendment and reconsideration of this application, as amended, is respectfully requested.

At page 3 of the Office Action of September 20, 2004, the Examiner argues that the nose of the projectile of Wood is considered to be edge 5 of penetrating core 4, but item 4 of Wood is a conical body, not a penetrating core.

In view of the foregoing, allowance is respectfully requested.

If any fees are due to enter this amendment or to maintain pendency of this application, authorization is given to charge such fees to deposit amount no. 50-0624.

Respectfully submitted,
